manufactured so as to effect a change in tariff classification will be given status as privileged foreign merchandise on proper application to the port director.

- (b) Application. Each application for this status will be made on Customs Form 214 at the time of filing the application for admission of the merchandise into a zone or at any time therefore the merchandise has been manipulated or manufactured in the zone in a manner which has effected a change in tariff classification.
- (c) Supporting documentation. Each applicant for this status shall submit to the port director, with the application, an invoice notated as provided for in §141.90 of this chapter.
- (d) Determination of duties and taxes. Upon receipt of the application and accompanying invoice, the port director may examine the merchandise to determine whether to approve the application. The merchandise will be subject to classification and valuation as provided in § 146.65.
- (e) Status as privileged foreign merchandise binding. A status as privileged foreign merchandise cannot be abandoned and remains applicable to the merchandise even if changed in form by manipulation or manufacture, except in the case of recoverable waste (see §146.42(b)), as long as the merchandise remains within the purview of the Act. However, privileged foreign merchandise may be exported or withdrawn for supplies, equipment, or repair material of vessels or aircraft without the payment of taxes and duties, in accordance with §§ 146.67 and 146.69.

§ 146.42 Nonprivileged foreign status.

All of the following will have the status of nonprivileged foreign merchandise:

- (a) Foreign merchandise. Foreign merchandise properly in a zone which does not have the status of privileged foreign merchandise or of zone-restricted merchandise;
- (b) Waste. Waste recovered from any manipulation or manufacture of privileged foreign merchandise in a zone; and
- (c) Certain domestic merchandise. Domestic merchandise in a zone, which by

reason of noncompliance with the regulations in this part has lost its identity as domestic merchandise, will be treated as foreign merchandise. Any domestic merchandise will be considered to have lost its identity if the port director determines that it cannot be identified positively by a Customs officer as domestic merchandise on the basis of an examination of the articles or consideration of any proof that may be submitted promptly by a party-in-interest.

§ 146.43 Domestic status.

- (a) General. Domestic status may be granted to merchandise:
- (1) The growth, product, or manufacture of the U.S. on which all internal-revenue taxes, if applicable, have been paid;
- (2) Previously imported and on which duty and tax has been paid; or
- (3) Previously entered free of duty and tax.
- (b) Application. No application or permit is required for the admission of domestic status merchandise, including domestic packing and repair material, to a zone, except upon order of the Commissioner of Customs. No application or permit is required for the manipulation, manufacture, exhibition, destruction, or transfer to Customs territory of domestic status merchandise, including packing and repair materials, except: (1) When it is mixed or combined with merchandise in another zone status, or (2) upon order of the Commissioner of Customs. When the Commissioner orders a permit to be required for domestic status merchandise, he may also order the procedures, forms, and terms under which the permit will be received and processed.
- (c) Return of merchandise of Customs territory. Upon compliance with the provisions of this section, any of the merchandise specified in paragraph (a) of this section, may subsequently be returned to Customs territory free of quotas, duty, or tax.

§ 146.44 Zone-restricted status.

(a) *General.* Merchandise taken into a zone for the sole purpose of exportation, destruction (except destruction of distilled spirits, wines, and fermented malt liquors), or storage will

be given zone-restricted status on proper application. That status may be requested at any time the merchandise is located in a zone, but cannot be abandoned once granted. Merchandise in zone-restricted status may not be removed to Customs territory for domestic consumption except where the Board determines the return to be in the public interest.

- (b) *Application*. Application for zone-restricted status will be made on Customs Form 214.
- (c) Merchandise considered exported-(1) For Customs purposes. If the applicant desires a zone-restricted status in order that the merchandise may be considered exported for the purpose of any Customs law, all pertinent Customs requirements relating to an actual exportation shall be complied with as though the admission of the merchandise into zone constituted a lading on an exporting carrier at a port of final exit from the U.S. Any declaration or form required for actual exportation will be modified to show the merchandise has been deposited in a zone in lieu of actual exportation, and a copy of the approved Customs Form 214 may be accepted in lieu of any proof of shipment required in cases of actual exportation.
- (2) For other purposes. If the merchandise is to be considered exported for the purpose of any Federal law other than the Customs laws, the port director shall be satisfied that all pertinent laws, regulations, and rules administered by the Federal agency concerned have been complied with before the Customs Form 214 is approved.
- (d) Merchandise entered for warehousing transferred to a zone. Merchandise entered for warehousing and transferred to a zone, other than temporarily for manipulation and return to Customs territory as provided for in §146.33, will have the status of zone-restricted merchandise when admitted into the zone. The application on Customs Form 214 will state that zone-restricted status is desired for the merchandise.

Subpart E—Handling of Merchandise in a Zone

$\S 146.51$ Customs control of merchandise.

No merchandise, other than domestic status merchandise provided for in §146.43, will be manipulated, manufactured, exhibited, destroyed, or transferred from a zone in any manner or for any purpose, except under Customs permit as provided for in this part. The port director may require segregation of any zone status merchandise whenever necessary to protect the revenue or properly administer U.S. laws or regulations.

§ 146.52 Manipulation, manufacture, exhibition or destruction; Customs Form 216.

- (a) Application. Prior to any action, the operator shall file with the port director an application (or blanket application) on Customs Form 216 for permission to manipulate, manufacture, exhibit, or destroy merchandise in a zone. After Customs approves the application (or blanket application), the operator will retain in his record-keeping system the approved application.
- (b) Approval. (1) The port director shall approve the application unless (i) the proposed operation would be in violation of law or regulation; (ii) the place designated for its performance is not suitable for preventing confusion of the identity or status of the merchandise, or for safeguarding the revenue; (iii) the port director is not satisfied that the destruction will be effective; or (iv) the Executive Secretary of the Board has not granted approval of a new manufacturing operation.
- (2) The port director is authorized to approve a blanket application for a period of up to one year for a continuous or repetitive operation. The port director may disapprove or revoke approval of any application, or may require the operator to file an individual application.
- (c) Appeal of adverse ruling. If an approved application is subsequently rescinded by the port director for any reason, the applicant or grantee may appeal the adverse ruling pursuant to the hearing provisions of §146.82(b)(2).
